RE: Notice of Ex Parte Communication In the Matter of Amendment of Sections 87.131, 87.133, 87.137, 87.345 and 87.349 of the Commission's Rules Regarding Aeronautical Utility Mobile Stations, RM-11503.

Dear Ms. Dortch:

On behalf of Sensis Corporation ("Sensis"), and in accordance with Section 1.1206(b) of the Commission's Rules, 47 C.F.R. §1.1206(b), undersigned counsel hereby submits the instant notice of *ex parte* presentation.

On January 23, 2009, on behalf of Sensis, Alan Fishel, of Arent Fox, met with Scot Stone, Tim Maguire, David Hu, Stana Kimball and Monica DeLong of the Wireless Telecommunications Bureau to discuss issues consistent with Sensis' filings in this proceeding. Sensis emphasized at the meeting the tremendous safety benefits of the system at issue, and the lack of any opposition to the commencement of a rulemaking. At the meeting, Sensis also provided a copy of a public document from the National Transportation Safety Board entitled Federal Most Wanted Transportation Safety Improvements, Improve Runway Safety. A copy of that document is attached hereto.

This notice is being electronically filed with the Commission.

Please do not hesitate to contact the undersigned with any questions that may arise with respect to this filing.

Respectfully submitted,

Alan G. Fishel

Attorney for Sensis Corporation
